

Success of a 650 million euros 7.9-year Sustainability-Linked Bond

Carrefour today successfully placed a Sustainability-Linked bond issue, for a total amount of €650 million. It is indexed to two objectives: the first one is linked to the reduction in greenhouse gas emissions, related to Scope 1 and 2. The second objective is linked to the number of suppliers committed to a climate strategy.

The main features are:

- Amount: 650 million euros
- Issuer : Carrefour SA
- Maturity and payment: May 2033
- Format: Fixed rate, bullet repayment
- Coupon: 3.75% per annum

This issue was oversubscribed almost 2.5 times, demonstrating once again the great confidence of the financial community in the quality of the Carrefour signature. This enabled a rapid placement at favorable conditions.

The 650 million euros raised will be allocated to the financing of the Group's general corporate purposes as well as to the refinancing of its debt.

The bond will benefit from a "BBB" rating from Standard & Poor's.

EU MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes taking into account the five categories referred to in item 19 of the Guidelines on EU MiFID II product governance requirements published by ESMA dated 3 August 2023, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU on markets in financial instruments (as amended, "**EU MiFID II**"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to EU MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

UK MIFIR PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes, has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("**COBS**"), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**UK MiFIR**"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

PROHIBITION OF SALES TO EUROPEAN ECONOMIC AREA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and, should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive EU MiFID II; or (ii) a customer within the meaning of Directive 2016/97/EU on insurance distribution, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of EU MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**EU PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

PROHIBITION OF SALES TO UNITED KINGDOM RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom ("**UK**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**EUWA**"); or (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA. Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the "**UK PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

Ratings:

The Notes to be issued have been rated:

S&P Global Ratings Europe Limited (“**S&P**”): **BBB**

Pursuant to S&P definitions, an obligation rated “**BBB**” exhibits adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to weaken the obligor's capacity to meet its financial commitments on the obligation.

S&P is established in the EEA and registered under Regulation (EC) No 1060/2009 as amended (the “**EU CRA Regulation**”). As such S&P is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website in accordance with the EU CRA Regulation. S&P appears on the latest update of the list of registered credit rating agencies on the ESMA website (<https://www.esma.europa.eu/credit-rating-agencies/cra-authorisation>)

S&P is not established in the United Kingdom and has not applied for registration under Regulation (EC) No 1060/2009 (as amended) as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (the “**UK CRA Regulation**”), but is endorsed by S&P Global Ratings UK Limited, which is established in the United Kingdom, registered under the UK CRA Regulation and included in the list of credit rating agencies registered in accordance with the list of registered and certified credit ratings agencies published on the website of the UK Financial Conduct Authority (<https://www.fca.org.uk/firms/credit-rating-agencies>).
